BOOKING FORM @ the back!!

Sebastian Achaval (World champion 2005) and Roxana Suarez are one of the hottest tango couples of the moment. Sebastian came to Buenos Aires when young to master the dance he had learnt in the province and soon met Roxana, who herself comes from a traditional tango family in Buenos Aires. Together they have travelled the world and wondered millions with their breathtaking and beautiful performances. They are also very good teachers and wonderful, down to earth people. We are very lucky to have them in their first visit to England, surely not the last!
